'Learning How to Fly Together'

16/06/23

'Big Talk Education'

Dear Parents/Carers,

As part of our relationship education we have invited 'Big Talk Education' into school on 28th June to work with all our children from Foundation 1 to Year 6. They will deliver a programme called 'Growing up Safe' with a view to teaching all our children how they can keep happy, healthy and safe. Big talk education have worked in many schools across Yorkshire and feedback from schools and parents has been overwhelmingly positive. We have attached a letter from Big Talk which provides an overview of the content of the sessions within each year group.

They are also passionate about working with parents and have produced a parental video outlining and explaining the content of the session. To access the video please use the link below.

Password: Happy&Safe

Y4,5 & 6 only – if you do not wish your child to take part in the session, please contact the school office by Tuesday 27th June.

Yours Sincerely,

Mrs H Honeybone
Headteacher
