Dear Parents / Carers

Welcome to our new academic year 2023 / 2024. I do hope you all had a lovely summer holiday and are looking forward to the term ahead. I know you will join me in extending a special warm welcome to our new children and families joining us at Town Field.

The children all look very smart in their school uniform (red / navy sweatshirt or cardigan, white polo, grey / black trousers or skirt, black shoes / trainers). Thank you for supporting school.

Teachers have worked hard to prepare their classrooms ready for the new year and they will be sending curriculum newsletters out to you at the end of next week so that you can see what your child is learning about this term. To enhance our curriculum, we have our extra-curricular clubs, trips and visitors so that children enjoy many first hand experiences. This year we are working closely with our arts partners at darts, Doncaster Music Service, Doncaster Jazz Centre and The Royal Opera House which will bring lots of exciting opportunities for children in expressive arts. Our sports clubs will begin to run next week and there will be plenty of events and competitions for children to take part in throughout the year.

We are really proud to let you know that we have been awarded the School Games quality mark at Gold level for our commitment to PE and sport – what a fantastic way to start the year!

We are reminding the children this week about our behaviour code, the 3C's - calm, careful and considerate. The children will be thinking particularly about what it means to be considerate of others and will all be creating their class charters to reflect this.

We warmly welcome two members of staff this Autumn term. Mrs Flanagan will be teaching in year 2 and Mr Martin is our new site manager at Town Field.

We were extremely pleased with our SATS results this summer with children in Y6 attaining at or above national figures. Our Y1 phonics results and Y4 multiplication results were also excellent and above national. Results will be published on the website in due course. Well done to all!

We continue to work hard to build on our school improvement journey year on year – always striving for the very best for the children at Town Field and we look forward to an exciting year ahead.

I have listed some key dates this Autumn term for you below:

A part of
The
Rose
Learning Trust

Tues 12.9 – Y4 swimming begins
