'Learning How to Fly Together'

3rd March 2022

Dear Parents and Carers,

After the huge success of last year's Family Reading Project, we are delighted to announce that we are running a brand new competition for our families this half-term. The theme for this year's project is **THE TOWN FIELD 10.**

The Town Field 10 are skills we value as a school to support our children with being successful at Town Field and beyond. Our Town Field skills are: Challenge Yourself, Confident Communicator, Creative Thinking, Keep Trying, Manage Feelings, Teamwork, Problem Solving, Reflect and Correct, Respect and Take Care of Ourselves. The children have already taken part in an author workshop with local author Phil Sheppard where they have designed their own Town Field 10 comic book characters.

We invite all members of the family to work together to create a piece of work based around these skills. The deadline for the event is **Friday 1st April 2022**. All families who enter will be invited to a special showcase event in the Summer Term and there are many prizes up for grabs, including book bundles, vouchers and more!

Please feel free to be as creative as you wish. Some ideas for the competition are as follows:

- Create a comic book with the TF10 characters
- Use digital software to create an animation or record a video – can you make the TF10 come to life?
- Make a diorama – can you make your own puppets and models?
- Research someone (real or fictional) who has displayed the TF10
- Write a story where the main character has to use the TF10
- Write an inspirational song!

I am incredibly excited to see all of your wonderful creations!

Miss D'Rozario
