

Town Field Primary School

Thorne Road, Doncaster, DN1 2JS

'Learning How to Fly Together'

14.3.22

Dear Parents / Carers

I am writing to inform you that we have an outbreak of chicken pox in school with multiple cases across Year 1 and 2.

Chicken pox usually starts as cold symptoms and then spots appear after a few days. It is highly infectious. Children should stay away from school until all the spots have scabbed over.

Here is a link to the NHS webpage: <https://www.nhs.uk/conditions/chickenpox/>

Our school nurse has advised that anyone who is pregnant should contact their midwife if they have been in contact with anyone with chicken pox.

If you have any questions, please don't hesitate to contact the school office.

Thank you for your continued support

Mrs H Honeybone

Headteacher: Helena Honeybone **Deputy Headteacher:** Mat Brandham

Designated Safeguarding Lead: Helena Honeybone
