Thorne Road, Doncaster, DN1 2JS

'Learning How to Fly Together'

15th May 2022

Dear Parents and Carers,

I am excited to announce that Town Field will be taking part in the Doncaster Stories Reading Miles challenge this term. The aim of the Reading Miles challenge is to support your child with reading at home and involves lots of fun activities to do!

Your child should have received a book bag today which contains art materials and a number of things to make or do. Most importantly, the pack contains the Reading Miles Map. Each time your child reads for 10 minutes or more at home, please place your initials and the date inside the next circle on the map. When your child reaches one of the key landmarks, they will receive a special certificate. All children who reach the end of the map will be awarded with a free book from the Reading Rewards trolley and will also be invited to a special graduation event in July.

In order to support with this, please ensure that your child brings their school reading diary into school every day. Each time your child reads at home, please sign your child's reading diary, alongside the Reading Miles map. If your child requires a new home school diary, please do not hesitate to let your child's class teacher know and we can issue a replacement.

Many thanks for your continued support with reading at Town Field. I hope that your child likes their new book bag and that they are excited to take part in the Reading Miles challenge this year!

Kind regards,
Miss D'Rozario
