'Learning How to Fly Together'

Dear Parents / Carers

As part of our PSHE / RSE curriculum, we are inviting Big Talk Education in to school to deliver their Growing up safe programme on Tuesday 28th June.

I have attached a letter explaining the content of the programme and a letter to attend a parent meeting if you would like to find out more. There are now also videos for parents that you can view here <https://www.bigtalkeducation.co.uk/year-by-year/> by entering the password **Safe&Happy** if you are unable to attend the meeting.

The videos detail the content that children will be taught across Early Years and Year 1, Year's 2 and 3, Year's 4,5 and 6. Should you want to discuss in more detail or wish to withdraw your child from the lesson (year 4,5 and 6), please contact the school office.

We have been working with Big Talk for a number of years now and feel that children benefit from their expertise. Class teachers all attend the lessons and are on hand to support children with any questions.

Thank you for your continued support

Yours sincerely

Mrs H Honeybone
